

United States Patent and Trademark Office

IP Marketplace Platform Submission Form

Thank you for your interest in listing your technology on the Platform. Currently listings are limited to those technologies that the owner believes are reasonably related to the prevention, treatment, diagnosis, protection from or alleviation of symptoms of coronaviruses in general, and COVID-19, in particular.

To have your technology considered for inclusion and marked as "Available" for licensing, please provide the information below and email this form to IPMarketplace@uspto.gov.

Patent or Patent Application Publication Number(s):

Assignee information:

(if not already recorded at USPTO)

Web link to licensing information or contact information

(address, phone, and email) for licensing inquiries:

By submitting this form, I certify that I am authorized to make the above submission(s) and agree to [the terms and conditions of use](#). I also consent to the USPTO making any contact information for licensing inquiries I have provided available to the public on the Platform.

SENDER'S INFORMATION:

Name (Print/Typed)

Date

Official Title

Address

Phone Number

Email

Privacy Act Statement

The United States Patent and Trademark Office (USPTO) collects this information under authority of 35 U.S.C. 2(b)(2). The information you provide will be used to process your applications and submissions related to the patent process. This system includes information about applicants for patent, legal representatives, and other person authorized by law to make application for patent. The information is protected from disclosure to third parties in accordance with the Privacy Act. However, routine uses of this information may include disclosure to the following: the public; certain foreign entities; audit or oversight controls; law enforcement; non-federal personnel working for the Agency; record and informational inquiries; litigation actions; Department of Justice; Office of Personnel Management; Congressional inquiries; the National Archives and Records Administration; and Office of Management and Budget. If you do not furnish the requested information, the USPTO may not be able to process and/or examine your submission, which may result in termination of proceedings or abandonment of the application for a patent. The applicable Privacy Act System of Records Notice for this information request is PAT-TM-7, Patent Application Files: Federal Register vol. 78 March 29, 2013, page 19243, available at <https://www.federalregister.gov/documents/2013/03/29/2013-07341/privacy-act-of-1974-system-of-records>

The USPTO also collects this information under authority of 35 U.S.C. 2. The information you provide will be used to register individuals to participate in, or for the USPTO to otherwise plan and manage, Agency sponsored events and programs designed to disseminate information to the public regarding patents and trademarks. This system includes information about individuals who have requested participation in an Agency-sponsored event or program. The information is protected from disclosure to third parties in accordance with the Privacy Act. However, routine uses of this information may include disclosure to the following: non-federal personnel working for the Agency; litigation actions; Department of Justice; Congressional inquiries; and the National Archives and Records Administration. If you do not furnish the requested information, the USPTO may not be able to process your request for participation in the program. The applicable Privacy Act System of Records Notice for this information request is PAT-TM-19, Dissemination Events and Registrations: Federal Register vol. 71 December 27, 2006, page 77739, available at <https://www.federalregister.gov/documents/2006/12/27/E6-22122/privacy-act-of-1974-system-of-records>
